ARTICLE VII - IMPARTIALITY

The Association shall remain nondiscriminatory, nonsectarian, and nonpartisan at all times.

BY LAWS

ARTICLE I: DUTIES OF THE OFFICERS AND DIRECTORS

Section 1 - Officers

1. Chair. The Chair shall preside at all business meetings of the Association and shall be charged with the general supervision of the Association. In his or her absence, the Chair is responsible for providing a substitute from the Board of Directors to preside at the meeting.

2. Secretary. The Secretary shall keep a record of the proceedings of all meetings of the Association and shall submit these minutes for approval at the following meeting; a copy of the minutes shall be provided to the Chair and Association records. In his or her absence, the Secretary is responsible for providing a substitute from the Association membership to take minutes. The Secretary shall also ensure that all official communications and notifications ordered by the Association or Board are carried out.

3. Treasurer. The Treasurer shall receive all funds of the Association and deposit the monies in a bank account maintained in the name of the Association. The Treasurer shall present at the meetings a full and specific account of all receipts and expenditures since the previous report and shall keep regular books of account. In case of the Treasurer's absence, the Treasurer shall provide the report to another officer to read at the meeting. A copy of the report shall be provided to the Chair and Association records after any approved corrections. All disbursements shall be by check signed by the Treasurer, Chair, Secretary, or other Board approved signatory, in that preferred order. While disbursements should be made via check, a credit card may be used only in the event that the vendor does not accept check (i.e. recurring online payments for the website.) At the end of each fiscal year (October 1 - September 30) the Treasurer shall submit the books to the Board of Directors or other entity designated by the Board for auditing.

Section 2 - Directors

1. Each Director--except the Chair, Secretary, and Treasurer--shall serve as Committee Chair or Co-Chair of at least one Association event or activity during each fiscal year. Prior to the beginning of the fiscal year, the Board of Directors shall submit for membership approval proposed Association goals and a budget for the fiscal year commencing October 1. The Board of Directors must approve any subsequent proposed expenditure not in the approved budget, through majority vote of a quorum of Directors.

2. The Association shall not create any indebtedness beyond the income of the Association, nor disburse funds for any purpose not in keeping with the objective and purpose of the Association.

Section 3 - Vacancies

If the office of the Chair, Secretary, or Treasurer becomes vacant, the vacancy shall be filled for the remainder of the term by another member from the Board of Directors or from the Association, through majority vote of a quorum of the Board of Directors. If the board is reduced to fewer than five members, then volunteers from the general membership may be appointed by the existing Board of Directors to fill the remaining terms of those vacant seats on the board. (Quorum provisions elsewhere in the by-laws shall not apply to this provision).

Section 4 - Abandonment of duty

In the event a member(s) of the Board of Directors (including Officers) stops participating in Association functions without providing explanation, the board will be allowed to vote that member(s)

off of the board with a majority vote minus the number of the affected member(s) in question after the following conditions have been met:

1. Any officer has attempted to contact the member(s) at least three (3) times and did not receive a response within thirty (30) days.

2. In one of the messages the following must be included “if we do not receive a response within thirty days, the Board will have the option to vote for your removal”.

After all of the conditions are met, an officer will present the date and times of the communication(s) and which of the communication(s) included the official warning they may be subject to removal so that a vote can be called.

Section 5 - Resignation

Any Board of Directors (including Officers) member can resign at any time verbally or in writing. If written, the email should be directed to the entire Board of Directors; if verbal, the board member that received the notice should write the email to the Board on their behalf. The Secretary will document the date officers or board members separate or are voted out due to abandonment of duty.

ARTICLE II - ELECTIONS

Section 1.

The Board of Directors (including the Chair, Secretary, and Treasurer) shall be elected from the voting membership at the September meeting for a term of one year.

Section 2.

Nominations for the Board of Directors shall be made by the Nominating Committee. The Nominating Committee shall receive names of those who are willing to serve on the Board of Directors. The nominating committee shall seek out and recruit persons who are willing to and suitable to serve, if candidates do not come forward.

1. The Nominating Committee shall ask each nominee to submit a brief Personal Statement indicating his or her vision and specific priorities for the Association. The Nominating Committee shall specify what is to be included in the Personal Statement. These personal statements will be posted on the Association website and presented with the slate of candidates at the September meeting.

2. The chair of the Nominating Committee shall inform the Secretary of the committee's nominations at least 20 days prior to the September.

3. The Association shall be notified of the candidates' names, personal statements, and the election date at least ten days in advance of the September meeting.

4. Nominations may also be made from the floor at the September meeting. The nominee must be present. A person may nominate himself or herself. Nominations from the floor require a second.

5. Voting shall be by ballot of current members present at the September meeting. The Nominating Committee shall have responsibility for creating, receiving, and counting ballots and ensuring the integrity of the election, including eligibility for voting.

Section 3.

The Chair, Secretary, and Treasurer may not serve more than four consecutive terms in the same position.

Section 4.

Officer eligibility: to be eligible for an officer position, the member must have served 1 term previously on the board.

ARTICLE III- MEMBERSHIP DUES AND FISCAL YEAR

The annual dues for members and associate members of the Association shall be ten (10) dollars per person or household. Dues can be lowered by a vote of the Board of Directors at the start of the fiscal year, for that fiscal year. Dues shall be paid in September for the upcoming fiscal year. New members may join the Association throughout the fiscal year, provided they pay dues at the time they join.

ARTICLE IV - VOTING

All members have full voting privileges and may vote at any Association meeting. In order to vote, a member must have joined the Association and paid dues at least four weeks prior to the meeting in which he or she votes. Associate members do not have voting privileges. If dues are set to zero and therefore not collected by the Association for the year, any qualified member under constitution ARTICLE III – MEMBERSHIP is considered eligible to vote.

ARTICLE V - MEETINGS

Section 1.

The Association shall hold general membership meetings every other month beginning in January, although meetings may be canceled by vote of the membership. At each meeting, the date of the next meeting shall be announced.

General meeting schedule:

2. March: General membership meeting.

Section 3.

A quorum shall consist of no less than seven (7) Association members. The Chair and the Secretary (or their substitutes) must be present for the Association to conduct business.

Section 4.

All Association meetings are intended to be open to the general public. If necessary, meetings of the Board of Directors may be held at the call of the Chair to conduct official Association business, with at least three (3) days' notice. Majority of Directors shall constitute a quorum for such meetings; however, for matters requiring a vote, a majority of Directors must be obtained.

Section 5.

For matters that can be settled without an in person meeting, the Board of Directors can have electronic votes via means the Board deems appropriate for communication. Board members can propose votes; however, the Chair or Secretary will call the official vote or seek any additional clarification within forty eight (48) hours of receiving the motion. A majority vote of all Directors must be obtained for the vote to pass. The Chair or Secretary will announce the final tally of the votes and the Secretary will append the vote and results to the most recent minutes to be presented at the next meeting. Motions that do not receive a majority vote either way within seventy two (72) hours will be recorded as failed to pass without majority.

Section 6.

For urgent matters requiring immediate action in less than seventy two (72) hours, any board member can call a vote by electronic means the Board deems appropriate for communication. A majority vote of all Directors must be obtained for the vote to pass. Once a majority vote is determined, any board member can announce the tally of the votes and the Secretary will append the vote and results to the most recent minutes to be presented at the next meeting. Motions that do not receive a majority vote either way within forty eight (48) hours will be recorded as failed to pass without majority.

Section 7.

For emergency matters preventing a safe or effective preparation for an upcoming Association event that needs to be resolved in less than 24 hours, an urgent vote via electronic means the Board deems appropriate will be attempted, but if a majority is not reached in time, the Chair, Secretary, or Treasurer can approve the committee chair's request for expenses not to exceed three hundred (300) dollars.

Those volunteering will be deemed to be members of committees. The Chair shall suggest committee members whenever insufficient volunteer participation is apparent. Committees shall keep the Board of Directors fully informed of their activities and shall operate within any established limitations or guidelines. The Chair
